Emanuel Lutheran Church Council Meeting- June 14, 2022

Attendees: Bruce Johnson, Glenn Johnson, Myron Gadoury, Ray Nunez, Kathy Plante, Pastor Todd Stange, Ken Wieboldt, Sue Wieboldt
Absent: Elaine Marsh, Walter Phaneuf

Opening Devotions

Accepted April and May with corrections of spelling of Wieboldt and Phaneuf.

Treasurer's report – Year to Date Expenses by Category: Outreach, Staffing, Programs, Facilities are up from last year. One of the things Finance has noted for a task for itself to do is to look to see projections for where we might finish the year, to be reviewed in August.

Council members noted that Insurance seemed high, Glenn noted that it is a quarterly payment. \$1883.80 in line 505, is this an expense we must pay out for JN? Yes, then we bill Joyful Noise. Joyful Noise paying Line 505 Utilities and Plowing, is that an expense? Was it the pump repair? We will be reimbursed from JN. Need to get clarification on what line 505 is. Line 405 represents Registration for Synod Assembly. Summer months are not as painful now that members are using electronic payment sources. For the monthly giving part, 2022, on the bar graph do we put the \$72,000, or the \$79,000 on the graph? We do put the \$79,000 on the graph with the lines, for the gray line, that's our year-to-date expenses, the bars are our income. The expenses are a little less than \$78,000.00.

Motion to accept the treasurer's report - approved

Committees:

Christian Education – Drama camp is coming up. Property Committee requests that efforts be made to protect the deck. Awning should be up by the start of Drama Camp. The dates are June 27th through July 1st. Are there children signed up, have we reached out to other Lutheran churches? Pilgrim and First Lutheran are doing their VBS that same week. Pastor has already reached out to Joyful Noise.

Finance – Discussed Emanuel building responsibilities regarding Joyful Noise: there was a discussion at Finance Committee, they were unanimous in their understanding that as landlords of JN, if it is a plumbing issue or anything else, we are responsible. How are we handling cosmetic issues that JN wishes us to do? In the current situation Finance Committee asked, "Who was the origin of the cosmetic need of power washing the building?"; JN wanted the building power washed. In examples provided, we paid for the fire alarms, they pay for the testing, same scenario for boiler issues. Is it a good idea to have more members being on JN board, we could use more representation? We would have to check with JN to see if there are openings on the board. Bob Maine is no longer serving. More Emanuel members would help increase communications. The estimate of the power washing is \$1069.00, it was noted that this will be what is known as a low pressure wash. Tile floor in the bathroom should be JN responsibility to pay for. Finance would take it case by case basis. Myron tells Carol when the bill is half and half, or full, either way. Myron communicates a lot with JN. Myron to discuss Kathy Plante being added to Joyful's board.

Property – see report as submitted. Additionally, JN wants to put a roof over the toddler playground. Council would like to see the plans, Property Committee would bring in a contractor. Estimated over \$20k. Must be sturdy enough to handle snow load and wind. Approved by council but they do want to see the plans.

Worship and Music – Pastor reports Sue will be doing her first deaconship on July 3rd. Recently the 8am service is up to 10 attendees. Pastor will be away Thursday and Friday, June 16 & 17th, July 4-10th, August 1-6th, August 15-19th. Council members expressed some concern regarding that there was a portion of the June 12th 10:30a service that there was no music.

Endowment Committee – The Endowment Committee has been requested by the Finance Committee that they have recommendations prepared for endowment fund distribution by the end of this summer for planning purposes.

Roof Replacement – Phase 2 timing was discussed. Myron reminded the Council that the contractor said that the existing phase two portion of the roof (sanctuary roof) could last another two to five years. As Myron noted the price could increase in five years, however. The most recent quote for Phase 2 is \$29,000 as estimated now. In the fund from Jane Wahl, for building related issues there is \$19,000 remaining. We have at least two years left, hopefully before a new roof will be needed. We should try to come up with a target date for when to do the new roof. Ray quoted 8% increase is projected for roofing based on his internet research. Should we do some fundraising and play it by ear? Myron does not know how old the roof is, there were eight layers of shingles on the steeple. If it is more than two layers, there will be an additional fee. The Council thinks targeting Summer 2024 for the new roof. Try to raise \$15,000 by then, or once we raise the money move forward. It was noted however that we may have to take a loan if we have not reached the target date/money.

Status of Food Truck delivery – in talking with Emanuel food pantry patrons they are signing up for Tefap. We may not accept the truck if there is no need for weekly distribution; Tefap program is offered one time per month. Myron will talk with the RI Food Bank administration prior to anticipated delivery of the food truck which is expected to occur in August. Additionally, Myron is checking stores that he can rescue food from.

Anything else: Regarding the Emanuel web site, Jake Johnson has agreed to work on the website. Pastor to set up meeting with Jake. Perhaps we could give each representing body, i.e., Food Pantry, for updates, first, then go to Jake and get lessons on how to make changes. Should we send a general request of what changes could be made to the parishioners? It would be a good idea to get more feedback. Perhaps link to the Herald.

Building Use Form for wedding on September 10th. A custodian will be needed.

Upcoming Commemorations

James, Apostle

Monday, July 25, 2022

James and his brother John were the sons of Zebedee, fishermen by trade before their call from Jesus. He was the first of the twelve apostles to be martyred, and his death is the only one recorded in scripture (Acts 12:1-2).

Johann Sebastian Bach, died 1750; Heinrich Schütz, died 1672; George Frederick Handel, died 1759; musicians

Thursday, July 28, 2022

These three German-born musicians have done much to enrich the life of the church. Schütz was an early master who focused on settings of biblical texts. Bach wrote over 300 cantatas along with works for organ and instrumental pieces, and has been called the "fifth evangelist" for the way he proclaimed the gospel in music. Handel's great work, Messiah, is a setting of scriptural texts.

Mary, Martha, and Lazarus of Bethany

Friday, July 29, 2022

Friends of Jesus, Mary and Martha are remembered for the hospitality of their home that they offered him—Martha focused on serving their guest, and Mary on listening to him. Their brother Lazarus was raised from the dead as a sign of the greater resurrection to come.

Olaf, King of Norway, martyr, died 1030

Friday, July 29, 2022

Considered the patron saint of Norway, Olaf went from a life of piracy to becoming Christian and declaring himself king of Norway. He revised the laws and tried to administer them fairly. Driven from Norway in a rebellion, he was killed in battle trying to regain his kingdom.
